

Exhibit C

Student Order Form/Purchase Agreement

In order to be eligible for student discounts on Autodesk Student Software, you must fill in the required information below and present the form to your Autodesk Authorized Off-Campus Reseller:

Section 1: Qualifications

I certify that I am a degree-seeking student or a faculty member (as checked below) at the institution stated, and that I am purchasing the Autodesk Student Software for my own personal use for education purposes only and not for commercial or institutional use.

- Degree-seeking student: I am a registered student who can confirm current enrollment in three (3) credit hours in a degree-granting program **or** who can confirm current enrollment in a nine (9) month certificate-granting program.
- Faculty (full-time or part-time): I am currently employed for a state accredited education institution.
- K-12 Student: I am a registered K-12 student who can confirm current enrollment.

Section 2: The Software License Agreement

I agree that if I open the sealed software media pack, I will be bound by the terms and conditions of the Software License Agreement included online or in the product box. In particular, I understand that I cannot sell, transfer, modify, or copy the Autodesk/Media and Entertainment Software. I agree that the software license I have purchased is for education use only. Commercial use of this product will immediately terminate my right to use the software.

Though functionally identical to software used by professionals, the educational version of Autodesk Student Software may contain the following features that differentiate it from the commercial version: education-specific hardware or software lock, on-screen and printing features that identify the software as an "educational version," and a limited term license.

Section 3: Upgrades and Education-to-Commercial Transfers

Autodesk Student Software upgrades are available for academic career and two year term licenses only, excluding AutoCAD LT. Current student status is required to purchase Autodesk Student software upgrades. Education-to-commercial transfers are available for academic career and two-year term licenses. All other term licenses do not qualify for upgrades or education-to-commercial transfers. Contact your Autodesk Education Reseller for to confirm product eligibility and confirm current upgrade and education-to-commercial transfer pricing.

Section 4: Technical Support

Technical support is not available directly from Autodesk. Basic installation support for Autodesk Student Software is available through Star Training via email or phone. Contact 918-747-9333 or email autodesksupport@startraining.com. Additional online support resources are available at www.autodesk.com/support.

Section 5: Parental Consent (to be signed by the parent or legal guardian, required for students under the age of eighteen).

By opening the sealed software media pack, my dependent agrees to be bound by the terms and conditions of the Software License Agreement. In particular, I understand that under this Education Software License, my dependent may not sell, transfer, modify, or copy the Autodesk Student Software. My dependent has purchased this software for education use only. Commercial use of this Autodesk Student Software license will immediately terminate my dependent's right to use the software.

I have read and agree to the terms above.

Signed: _____ Date: _____
(Parent signature if student under 18 years old)
